Special Session on
"Navigation/Reading and Other Aids for Visually Impaired Individuals"

The special session is concerned with navigation in both indoors and outdoor environments, reading as well as other visual/haptic/acoustic aids for improving the quality of life and supporting the independence of visually impaired individuals.

Other aids and approaches for helping individuals with different disabilities/needs are also welcome.

Prospective authors are encouraged to discuss their contribution with the Special Session Organizer (tatianatambouratzis@gmail.com, tatiana@unipi.gr).
